

African Tribal Art - Chamba Mama Mask

750 EUR

Period : 20th century

Condition : En l'etat

Material : Solid wood

Height : 74 cm

Description

Belgian Guy Mercier collection.

The extremely sober masks are an integral part of the Mama's mangam rituals, also known as Kantana. These masks are used by a male association within the ethnic group to ensure social stability and stimulate agricultural production. They are particularly associated with the northern regions of Benoué, where several ethnic groups make masks with a very refined style, generally worn horizontally.

PLEASE NOTE THE PRICE OF TRANSPORT INCLUDES LOSS, THEFT AND BROKENAGE INSURANCE.
