Description

We present for sale this oil on canvas, modern framed. This oil represents a navy with a scene of docking of a fishing boat (sailing boat) with two sailors on board and another helping on board at this docking, on a slightly rough sea. This painting is signed at the bottom right and we have not been able to decipher this signature. This painting for us is from the beginning of the 19th century with a way of painting still known in the 18th century, interesting format. (E24A)
