Description

We present this oil on canvas framed in the style of the 60s. This very colorful work represents two riders by the sea with a sailboat in the background. This work was created by Henry Maurice D'ANTY born in 1910 and died in 1998. This painter was very attached to the rendering of colors and he always found true harmony in this choice, what's more there is always a lot of material and relief in his works. (E24A)
