Description

This mahogany piece of furniture includes two boxes with 3 drawers of different heights in the lower part. These 6 drawers, 4 of which have original locks with threaded entries and fitted keys, are fitted with round brass cup knobs. The leg passage has a hinged door with cut-out recessed panel and an authentic lock in mint condition. operation with entry and key. These elements rest on a projecting molded base. The desk cylinder has round brass knobs. The belt offers a drawer with a knockout front allowing, once opened, to obtain clearance for sitting. This drawer, equipped with an authentic lock with entry and key, reveals three hatches, mounted on hinges, with a miter-cut frame covered in green leather with gold vignette, and for the largest, a central motif. In addition to offering three
