Description

We present for sale this oil on canvas, framed in the style of the 50s/60s. This work represents a very colorful clown, it is by Henry Maurice D'ANTY born in 1910 and died in 1998. This painter attaches extreme importance to the rendering of colors and above all knowing how to harmonize the colors used together in this contrast and in this particular painting, we find red, green, yellow, black and in addition it gives relief to the material. I like this painter. (E24A)
