Description

Set of twelve (12) modernist and abstract wooden sculptures.

Part of the workshop collection of Roland LAVIANNE (1948-2022).

Different heights between 36cm and 115cm.

This collection was acquired in collaboration with @igmarstuer and @pschantiques.

By simplifying the lines to the extreme, Roland LAVIANNE develops a powerful play on volumes, shapes and lines, using light as a key construction material.
Sold as a set.
