Description

Large Paris porcelain planter from the 19th century Napoleon III period. Very beautiful object that can be used as a planter or table centerpiece with a country decor on all sides. Handmade work by the artist who knew how to create a natural and bucolic atmosphere like a real painting. Elegance of the four legs which enhances the object in a remarkable way. Fine gold decoration in very good condition. Possibility of sending in France and throughout the world by professional carrier or by secure package. Rapid dispatch.
