Description

Painting, oil on canvas, signed ALCORLO 73.

Splendid and original painting, oil on canvas, depicting ladies sitting (on a terrace?) with their children next to them and in their arms.

Above you can see a green fountain with a vase of cyclamen in the tub.

The figures wear beautiful colorful clothes from everyday life.

The pictorial perspective is interesting, it seems that the artist positioned himself below the figures to be portrayed to paint the moment.

Signed and dated lower right ALCORLO 73.
