

Vase After The Antique In Blown And Spun Glass, 19th Century

400 EUR

Period : 19th century

Condition : Parfait état

Material : Glass

Width : max 12 cm

Height : 20 cm

Description

Elegant vase on foot in blown and spun glass based on models from ancient Rome. Very beautiful model with a slender globular tank, cylindrical collar with ring and tapered and also ringed side intakes. Glass color pale green with slightly yellowish reflection with a discreet iridescence. Certainly Italian production dating from the mid-19th century or before. Beautiful object for a cabinet of curiosities. In a perfect state . NB/ Possible delivery to France via Colissimo, tracked and insured: 20 euros.
