Description

Table display case for miniature from the Napoleon III period. The turned base and crotch are enhanced by shapes: tops, grooves, guénés and rings. The hinged belt has a simple molding. The counter-grain veneered flap is veined and framed by corbin bec molding. The padded linen interior (redone) offers a beautiful contrast to the whole. (h 7.5) Ideal in the middle of a room thanks to the four walnut sides. The lock works. Possible delivery not included in the price.
