

Charles X Commode And Secretary Set

3 800 EUR

Period : 19th century

Condition : Etat d'usage

Material : Other

Width : 1.27m

Height : 0.94m

Depth : 0.56m

Description

Charles X secretary and chest of drawers set in light wood. This set is in its original state without any restoration. We do not have the keys. The top is made of walnut and it has been painted with great taste in imitation of marble (original). This set is going to be restored but for lovers of furniture in its "juice" we present this one.
