Description

G for Gueridon. The first TOLIX table. Mythical piece made by Xavier Pauchard, all round in pressed sheet metal, resting on a single conical foot, the creation of which was only possible by borrowing a wagon axle from the Autun station on which the steel sheet was rolled. Recognizable among the great design classics thanks to its base and hand-assembled by the Manufacture's artisans, 80 cm round tray that can accommodate up to 4 place settings. Manufactured around 1970, original paint I think. Height 73 cm Top diameter 80 cm Foot diameter 45 cm Delivery costs France EUR100 Europe EUR200 Other destinations contact me
