Watercolors 1900 Landscapes On The Pattern

105 EUR

Period : 19th century

Condition : Bon état

Material : Water color

Width : 46

Height : 60

Description

Three views done in watercolor on the motif along a river that I was unable to identify. The three watercolors are mounted on the same mat. The top two measure 17x10 cm, the one below measures 13x20 cm. They are framed in a wooden frame and gilded canvas.
