Description

Pair of soliflore vases in orange-colored Baccarat crystal lined with white opaline, with "gold-painted" (fine gold gilding) ermine decoration. Old production from the 1890s-1900s, our vase does not bear the signature of the crystal factory, but the profile of this vase is referenced in the catalog from the 1900s and we recently sold another vase of the same orange and white opaline, which had retained its Baccarat label. <https://www.gslr-antiques.com/fr/boutique/cristal/vase-cristal-baccarat-lauriers-opaline-orange-doree.php>. Beautiful collector's items, in excellent condition for one, a micro tortoiseshell with gilding on the collar for the other; very fresh gilding (some discreet local wear). Height: 14.5cm
