Description

Work of Ceramist Helmut Schaffenacker (1921-2010)...

A rich and unbridled production. His sculptures, molded, reworked and enameled by hand in his workshop, were generally produced in a few dozen copies.

Here is an unusual model, from its beginnings, late 50s I think. 34 cm high x 15 cm wide.

In very good condition, a very slight chip on one edge, almost invisible
