Description

Very beautiful group in cracked polychrome enameled earthenware, in vibrant colors, representing two peasant women chatting quietly. This Art Deco period ceramic was created by Marcel Renson, an art ceramist working with earthenware and porcelain in his Parisian workshop located in Sceaux. This piece impresses with its dimensions, with a height of 40 cm, a width of 28 cm and a depth of 14.5 cm. A superb decorative object to beautify your interior! In excellent condition!
