Description

A beautiful floor lamp, model "Camera 500", designed by Ernesto Gismondi and manufactured in Italy around 1970 by Artemide. This lamp has a high quality black lacquered metal base and shade, held by a tubular chrome metal arm. She has a beautiful minimalist style! The rectangular lampshade contains a large round dimmer which allows you to adapt the light to the situation. It is in good condition, with minor wear consistent with age and use, and retains a beautiful patina.
