

System Game Table Or Bar

590 EUR

Period : 19th century

Condition : Très bon état

Material : Mahogany

Width : 63cm

Height : 76cm

Description

This mahogany game table or bar) is particularly original due to its system. When you open the two flaps the tray rises at the same time, which is why it could be a bar containing glasses and bottles (30cm high). Very ingenious. Four identical sides, lockable.
