450 EUR

Description

Watercolour depicting an animated scene of Garibaldians and could be recognised in the preparation for the landing in Calabria organised from Naxos (Messina) in August 1860.

The dating of the sheet does not seem far removed from the historical facts, and the skilfully constructed representation in the figures as well as in the landscape reveals the drawing skills of the author, who unfortunately remains anonymous at the moment. Sheet size ca. 31 x21 cm, with a flap missing at the top right-hand corner
