Description

Elegant fireplace trumeau or to place on a console. Rechampi and carved into a pediment decorated with flowers, vase and bouquets. Repainted in trianon gray on its central part, the lime green cornice and the contours of the mercury mirror. Charming model. For the little anecdote, the trumeau "would have" belonged to the theater actor Robert Hirsch (1925-2017). Louis XVI period (1774-1792). End of the 18th century. The mirror alone 54 cm/103 cm The cornice: thickness of 5 cm
