

Important Planter Decorated With Thistles In Bronze From The Art Nouveau Period

450 EUR

Period : 20th century

Condition : Bon état

Material : Bronze

Width : 30 cm

Height : 24 cm

Description

Important Jardiniere decorated with Thistles entirely in Bronze. From the Art Nouveau period - 1900 In Antiquity, the thistle is a symbol of longevity and tenacity which protects against evil spirits. In Christian tradition, it rather represents earthly pain, sin and the passion of Christ. Exceptional bronze tripod base decorated with thistles and very high quality interlacing of branches.
