Description

Beautiful "Parigina" watch representing a mythological scene.

Made by bronzesmith Claude Galle (1759-1815)

The bronze is masterfully chiseled with numerous details, the dial is in white enamel, features an 8-day movement with wire suspension and half-hour chime.

The mechanism is functional but requires servicing, it is not guaranteed.

It is in excellent general condition, no missing pieces,
small signs of aging and imperfection on the dial.
