"parigina" Clock In Gilded Bronze - 19th Century

1 800 EUR

Period : 19th century

Condition : Très bon état

Material : Bronze

Description

Beautiful "Parigina" watch representing a mythological scene
made in the 19th century.

The gilded bronze is finely chiseled and has numerous, meticulous details.
Features 8-day movement with wire suspension and half-hour chime.
The mechanism is functional but requires servicing, it is not guaranteed.

It is in excellent general condition, no missing pieces,
small signs of aging.

Height 50 cm - Width 35 cm - Depth 13 cm
