

Ophiophiles Welcome

Description

IF YOU ARE AN OPHIODIOPHOBIST OR IF YOU SUFFER FROM HERPETOPHOBIA BE CAREFUL... You could be very frightened or repulsed by this stuffed python... 2.52 m long. Fortunately its convolutions allow it to curl up in a box of bananas (just to give you an idea of its size). And my crane grandson: "... not even afraid..." then after the caress he asks me: 'say grandpa, is it real?
