for illustrations, but his very deep wish will be to learn to paint. As soon as he had the opportunity he bought colors and received advice from the painters of Montmartre. a career will open up to him where he will teach in Paris until around the 1930s, where he will leave everything behind in order to come and settle in Provence, more precisely in Méounes les Montrieux Also passionate about nature, he will leave from morning to evening in all weathers, in the countryside in order to restore on his canvas the wonderful colors of the countryside and the undergrowth He died in 1962 in his house "Le rouge gorge" A street bears his name in Dijon A remarkable biographical book will be donated free of charge to the future purchaser of the painting free shipping worldwide
