Solid Silver Mustard And Salt Shakers Set For Old Man Bruel Jean-françois

350 EUR

Period : 19th century

Condition : Très bon état

Material : Sterling silver

Height : 10,5cm

Description

hallmarked by the master goldsmith Bruel, active from 1817 to 1838, here is a beautiful set, no missing, two remarks the feet of the mustard maker have undergone an old restoration by the reinforcement of rods at the level of the feet and the glasswork is not that of origin. They nevertheless fit very well and are made of glass with an old man's mark on all the pieces.
