Dimensions:

Height: 29 cm

Diameter: 17 cm

Condition: Good Condition.

Artistic and Aesthetic Details:

Rich Color Palette:

Deep red tones resembling scales in relief on the upper section, symbolizing the sea and its creatures.

Dark cobalt blue contrasted with golden accents for an elegant and refined appearance.

Marine Sculptural Decoration:

Handles shaped like stylized fish heads, adding a bold and fantastical touch.

Raised floral motifs, meticulously crafted, offering a romantic and natural balance.

Marine Inspiration: The entire design, from the motifs to the colors, evokes a maritime landscape, creating a poetic and unique atmosphere.

Why Choose These Vases?

Rare and Authentic Works of Art: Model N°106 is highly prized by collectors for its intricate design and marine symbolism.

French Craftsmanship Heritage: Made using traditional Majolica techniques, these vases reflect the creativity and craftsmanship of the 20th century. Versatility: Perfect for decorating a garden, terrace, living room, or refined indoor space, these vases enhance any environment with their timeless charm.

Character and Uniqueness: Their marine inspiration and vibrant colors make them captivating, one-of-a-kind pieces.
