Description

Elegant gold ring adorned with a central emerald and old brilliant-cut diamonds. Made of 18k yellow gold and 0.900 platinum elements. Its central point is an octagonal-shaped emerald weighing 0.80 ct, of an intense green color, which gives it an extraordinary expression. It is surrounded by two old brilliant-cut diamonds with a total weight of approximately 0.65ct, GH color and I1 purity. In addition, the ring is adorned with 18 faceted old cut diamonds weighing 0.24 ct, GI color and SI-VS clarity, which subtly emphasize its unique character. French import hallmark preserved from the 1900s. Origin: France, early 20th century. Very good condition, no damage. Engraving visible on the inner edge of the ring. Size: 16 (56). Product weight: 4g.
