### Description

Large pair of panels carved in high relief in oak from the Gothic period decorated with holy figures in Gothic arches and fenestration. these carved oak panels represent Saint Anthony accompanied by his Tau and Saint Barthélémy carrying a large knife. these two are sculpted in strong three-quarter relief and turned to the right. they wear their attributes and are placed in the center of a canopy under windows and surrounded by Gothic columns. the detail of the drapes, faces and windows is remarkable and in a good state of conservation.

probably panels from a choir or stalls.

These panels have suffered the ravages of time with attacks from wood-eating insects and
