PROANTIC
LE PLUS BEAU CATALOGUE D'ANTIQUITES

Large Lacquered Wood Chandelier, 1950s

380 EUR

Period : 20th century

Condition : Etat d'usage

Material : Painted wood

Description

Important chandelier in wood and sheet metal, very decorative, of a very good diameter, The small balls and leaves threaded on the rods of the chandelier are in gilded sheet metal, the other elements are in lacquered wood, It would need to be re-electrified because the wires are d 'origin.
