Description

Interesting And Rare Dutch Brass Bushel Balance Complete Set 1846. Of "2 N D Maatjes" marked with the annual calibration marks for 1846 and 1847 and the mark of gauge master G. Kuyper master in 14 March 1820 in Groningen, died in 1860. It is very rare to find this type of Dutch bushel still complete with its original fully marked weights and wooden stick. All weights marked on the same way with date marks. Still with the original brass balance and fabric pouch. In very good original condition, there are no repairs or restorations and no missing pieces. Size of hanging balance 20cm high.
