

## Old Japanese Hibachi Brasier In Carved And Lacquered Wood

750 EUR

Period : 19th century

Condition : Etat d'usage

Material : Painted wood

### Description

The Japanese hibachi was originally used to heat the rooms of the house: inside the lacquered poplar wood container, there is a second metal container, intended to contain ashes and embers.

Note a red stamp on the bottom and, as defects, a few longitudinal cracks on the lacquered wood.
