Description

Refined large artistic Murano glass vase in shades of green made by Flavio Poli for Seguso, 1960s. This vase is characterized by a particular design shape. Made with green blown glass inside the transparent glass. The processing technique is called submerged glass, it will become the iconic technique of Favio Poli, a technique that is performed by superimposing different layers of glass with different consistencies and colors. The multi-color effect is awesome! This vase is perfect as a furnishing accessory for a bookcase, as a decoration for your dining room table, for a living room! Its elegance will make your guests envious! Vase of great refinement you will be truly fascinated when you see it. No trademark or signature present. This refined vase is authentic, vintage, has some small lines of wear visible
