Description

Large waterfall chandelier in clear murano glass, made in Italy in the 1970s.

Paolo Venini
During his career, Venini worked collaboratively with many renowned artists and designers, including Gio Ponti, Napoleone Martinuzzi and Fulvio Bianconi, to create unique and innovative glass pieces. Venini was also known for his use of traditional glassblowing techniques, while experimenting with new shapes, colors and textures. His designs have been exhibited in museums around the world and are considered examples of the excellence of Venetian craftsmanship.

This waterfall chandelier is made up of long glass
