Description

Large 19th century woodwork trumeau in Louis xv style Painted, carved and gold-enhanced wood. A very pretty original painting on canvas, with the bucolic charm of children playing in a green setting, illustrates this trumeau. In the lower part, a mercury mirror also original gives all the depth to this trumeau, which is quite exceptional in terms of its dimensions. Two electrified bronze wall lights illuminate this set and give it a high-quality decorative and romantic charm.
