Description

Perfume flacon in cobalt blue opaline glass of piriform shape, fitted with its original lenticular stopper.Italy, Murano. 20th century.H_16 cmVery good overall condition.Opaline glass, tinted in the mass with such a deep and intense cobalt blue, offers a superb interplay of light and material, characteristic of mid-20th-century art glassware. Whether from the Italian workshops of Murano or the great French crystal manufacturers, this type of refined, sculptural scent flacon embodies the timeless elegance of dressing-table accessories and display objects.Our cobalt blue opaline flacon, part of the fine tradition of 20th-century decorative glassware, testifies to the quality of blown-glass work, combining the sobriety of its lines with the visual richness of its color
