

Large Oriental Basin Or Incense Burner, Chiseled Brass, 19th Century

285 EUR

Period : 19th century

Condition : Très bon état

Material : Brass

Description

Very pretty in shape, here is a large brass basin, or censer, taking into account the interior lip. A circular pedestal, on which the body rests, decorated with 8 stylized medallions, which supports the top, of a much greater diameter, outer border decorated with stylized garlands. The decoration on the top alternates between medallions of writing and medallions of stylized plant motifs.

Beautiful antique item, Oriental, I cannot provide a more precise origin, dating from the 19th century.

Very good condition, no breakage or major defect, a few minor dents and dings. Please look carefully at my detailed photos, I'm not hiding anything!
