Description

Very elegant Louis XV style armchair upholstered in red and yellow with geometric patterns reminiscent of plants. The base is curved and rests on casters for easy movement. The seat belt is carved with floral motifs. The backrest is also topped with floral motifs. This nurse's armchair, children's armchair or fireside armchair is made of white painted wood on four curved legs. The ideal dimensions of this small armchair allow it to find its place in a child's bedroom, in an office as an occasional armchair or in a living room. Seat height: 33 cm France - 19th Napoleon 3 Period - Louis XIII Style May have some slight marks due to age and use
