Description

This exquisite ring is crafted from 18-carat white gold and features a stunning cushion-cut pink sapphire, weighing 1.36 carats, at its center. The sapphire's vibrant pink hue adds a touch of romantic elegance, making it a captivating centerpiece. The ring is currently a size 54, but our renowned workshops at Mesure et Art du Temps offer a bespoke resizing service to tailor this piece perfectly to your specifications. This customization ensures that the ring not only fits beautifully but also meets your personal style preferences, making it a truly unique and personal item of luxury jewelry.
