

## 19th Century Victorian Period Mahogany Child's Rocking Chair

290 EUR

Period : 19th century

Condition : Bon état

Material : Mahogany

Width : 38

Height : 63

Depth : 53

### Description

A charming late 19th century Victorian period mahogany child's rocking chair. A carved bowed crest rail of deep form with walnut inlay back support above a leather seat flanked by small curved arm supports. Raised on turned legs, united by stretchers. The long, arched rocking feet provide a relaxing, gentle motion. The chair is sturdy and solid and both decorative and elegant. England circa 1890.
