Description

In Louis XV style, this beautiful coffee service set includes 8 cups, 8 saucers, 2 large plates, 12 dessert plates, a sugar bowl and a milk pitcher, i.e. 32 pieces in perfect unworn condition. Pleasant at various points, its shape with the relief paste, its decoration with rows of flowers in a delicate tone and its frank preserved gilding. Marked and numbered under the cups by hand and with the stamp of the English Manufacture VV Sons (England) the refinement of these pieces is remarkable and the elegant and delicate floral decoration the handles of the cups are gilded like the edges, identical to the edge of the cup plates , pitcher and sugar bowl. Unworn, this service has barely been used and would be able to decorate and serve a coffee for 8 people with a snack, a useful and very pleasant set....
