Description

These two lamps feature an elegant and classic design, ideal for refined interior decoration. The bases of the lamps are made of metal and wood with a gold finish, each decorated with a golden carved wrought iron bird delicately placed on a volute. The birds, stylized and golden, add a touch of exoticism and elegance to the whole. The cream-colored fabric lampshades are trapezoidal in shape, providing a soft, pleasant light when lit. The shades flare slightly downward, which helps diffuse the light evenly. The lamp bases are rectangular and robust, offering good stability. Metal scrollwork forms a graceful structure and adds an artistic touch, while gold details on the leaves and birds accentuate the decorative look of these pieces. These lamps would be perfect as centerpieces on
