1 280 EUR

Signature : Philippe Starck

Period : 20th century

Condition : Très bon état

Material : Glass

Diameter : 120 cm

Height : 73 cm

### Description

Designed by Philippe Starck around 1982, the "Joe Ship" model was published by Les 3 Suisses and XO, and available as a "concept".

The lacquered metal legs support the top by a "clamp" system, which could be chosen to order, in glass, stone or melamine;... round, rectangular, or square...

The legs were also offered in three sizes: 35, 56, or 73 cm in height, which made it possible to create coffee or side tables, end tables, consoles or dining room tables...

This one offers a round top in thick clear glass, 120 cm in diameter, in very good condition, supported by three feet 73 cm high.

The last two photos are advertising variations.

Height 73 cm, diameter 120 cm. Excellent

general condition, consistent with age and use.
