

## Wrought Iron Lectern Late 19th Century

650 EUR

Period : 19th century

Condition : Très bon état

Material : Wrought iron

Width : 45 cm

Height : 165 cm

### Description

Beautiful full-length lectern, in wrought iron, consisting of a tripod foot decorated with scrolls, and a rotating support for two strong books, decorated with a central M. Made at the end of the 19th century, it is inspired by the Regency style. The creation is virtuoso because it is made of strong forged iron plates and works with the strength of the craftsman.
