Description

Bronze sculpture from the early 20th century art deco period representing the aviator Jean Mermoz. by F Focht. Magnificent original sculpture showing the charisma and power of this world-famous aviator. The artist was able to show the dynamism of speed through these stylized clouds ending in a star topped by the typical and determined face of this hero from the 1930s. Exceptional and original patina in excellent condition. Period black marble base not scratched intact. A very present object due to its decorative qualities and its impressive size, 56 cm in length by 40 cm in general height. Possibility of sending in France and throughout the world by professional carrier and by secure package. Invoice and certificate provided.
