Material : Solid wood

Height : total 118cm sculpture seul 89 cm

### Description

Elegant virgin in bas relief from the 18th century in walnut. Superb work of sculpture, the virgin is presented on a wooden support surmounted by a metal rod allowing it to be held in place. The work of sculpting the face and the drapery is of great finesse, the virgin wears a crown of thorns against a backdrop of the sun. Rare bas relief representation of the Virgin, of good quality in very good condition.
