

3 Shaped Pieces In Pillivuyt & Cie Porcelain From The 19th Century

280 EUR

Period : 19th century

Condition : Bon état

Material : Porcelain

Description

Tureen, cake stand and large oval serving plate in porcelain from the Maison Charles Pillivuyt & Cie.

Gold profile and monogram but the most surprising element of these pieces of a personalized table service is another: the crown that surmounted the monogram has been abraded! You can clearly see the dull outline of what was once a gold marquis crown...
