

Triptych In Limoges Enamels

2 300 EUR

Period : 19th century

Condition : Bon état

Material : Enamel

Width : ouvert 49,5 cm

Height : 30,5 cm

Description

Superb triptych with three enamel plates in relief with gold highlights depicting the Virgin and Child in majesty, surrounded by angels and archangels placed under vaults. In its gilded wooden frame, this travel triptych dates from the 19th century in the spirit of the 15th or 16th, in good condition but with some old touch-ups to the frame.
