In 1972, Dominique Mulhem exhibited his work using spray paint and stencils for the first time in Asnières-sur-Seine. The same year he began studying drawing at the Place des Vosges art school (Paris). Dominique Mulhem's holopaintings use the lenticular holography technique. D. Mulhem was one of the first artists to use this technique in the 1970s and is considered one of the pioneers of holography and
