

## 18k White Gold Earrings With 0.360 Carat Diamonds

1 600 EUR

Period : 20th century

Condition : Parfait état

Material : Gold

### Description

Experience the height of elegance with these 18k white gold earrings, adorned with 72 brilliant-cut diamonds totaling 0.360 carats and displaying a captivating H color grade. These petite semi-circle earrings are meticulously set with sparkling diamonds, creating a stunning and sophisticated look. A delicate stud on the back secures the earrings to your ears, providing both comfort and style. Perfect for adding a touch of luxury to any ensemble, these earrings are a timeless addition to your jewelry collection.
